OVD

Overdrive is creating an innovation with OVD, A cryptocurrency that will expand from things that Overdrive has worked on over 20 years.

OVD is build on Overdrive's creation and projects with new services for copyrights and intellectual property that is very important nowadays for ones who has A creative mind,With the BLOCKCHAIN technology there's nothing to worry about copyrights and pirating anymore because of its transparency allows everyone to trace to the source.

OVD will be the solution and add value to every intellectual property from now and so on.

OVD

What is OVD ?

1. Multimedia Copyright on Blockchain

OVD is a Token (currency) that will manage the Multimedia Copyright on the Blockchain system, also a user friendly E-Commerce system by taking care of Copyrights trading in a very simple way that can be called a semi-digital store.

This platform is an expansion service that will serve as a plug in for the main system without interrupting the main system.

Also new users will be able to use this service as an E-store.

2. Entertainment & Event Platform

We will create a main platform for entertainment industry which will be a full scale servicing such as ticketing, reservation, refund and E-store. Every service on this platform will be a cashless service on the blockchain by using OVD token including every scale of festivals, concerts and events, Concerts from superstar artists in OVD will be support by OVD token and this will improve the circulation for OVD token.

3. Artist Platform

OVD will create CSV Music & Entertainment campaign based on our multimedia copyright and entertainment platform which will be an opportunity for talented people to develop to a superstar that will be in the OVD Artist platform.

OVD will create a music & entertainment Campaign that will support OVD copyright and OVD Entertainment platform for talented people to develop to a superstar that will be in the OVD Artist platform.

OVD

How it Works ?

MULTIMEDIA COPYRIGHT PLATFORM on BLOCKCHAIN will make every purchase traceable and evident, By using OVD token will make every Copyright sales and purchases easier, User friendly like using a simple application on Desktop or Mobile, Anytime anywhere

OVD also creates an artist platform that has music & entertainment campaigns, This will be an opportunity to improve the skills of talented people who wants to get bigger and reach for their goals by put this campaign on our Artist platform.

OVD will work on Entertainment & Event platforms that will also be a cashless platform by using OVD token on Ticketing, Reserve & Refund, E-store. Eververy process will be easy with the usage of E-wallet whether it be festival, concerts and events, OVD token users will get many exclusives gift like Meet & Greet with the artist or special price for merchandises. The movement and usage of OVD token will be add up by Artists, celebrities or superstars in the event line up.
